

ORDINANCE 12-2024

AN ORDINANCE REQUIRING ALL NEW COMMERCIAL AND ASSEMBLY OCCUPANCIES A TO INSTALL A KEY BOX (KNOX BOX) IN A LOCATION APPROVED BY A FIRE OFFICIAL AND FOR ALL EXISTING COMMERCIAL AND ASSEMBLY OCCUPANCIES TO INSTALL A KNOX BOX IF THEY ARE REMODELED, RENOVATED OR CHANGE OF OWNERSHIP.

WHEREAS, the City Council of the City of Haskell, Arkansas deems it necessary for all new commercial and assembly occupancies to install a key box (Knox box) in an approved location.

WHEREAS, per 2021 Arkansas Fire Prevention Code, section 506 Key Boxes; all new commercial and assembly occupancies within the city limits of Haskell will be required to install a key box (Knox Box) in a location approved by the fire official. The key box shall contain keys to gain necessary access as required by the fire code official. Existing commercial and assembly occupancies shall install a key box (Knox Box) if they are remodeled, renovated, or change of ownership.

NOW THEREFORE, BE IT ORDAINED this day 12th of August, 2024.

Approved:

Mayor Clyde Crookham

Attest:

Jennifer Hill, Recorder/Treasurer
